Title: SOLID POLYMER ELECTROLYTE AND USE THEREOF

SUPPLEMENT TO AMENDMENT AND
INFORMATION DISCLOSURE STATEMENTCommissioner of Patents
Washington, D.C. 20231

Sir:

The instant paper supplements Applicants' Amendment filed, herewith, in response to the Office Action mailed May 23, 2001, with respect to reference JP 62-169823, submitted with the information disclosure statement filed January 13, 2000.

An English language translation of JP 62-169823 was not included with the information disclosure statement, so the reference was not considered by the Examiner.

Attached, hereto, is an English language translation of the reference, i.e., Re. 33,367. Re. 33,367 claims priority of Japanese patent application 61-10763, as indicated on the cover page. Japanese patent application 61-10763 is, also, the application published as JP 62-169823, as indicated on the first page (copy attached, hereto) of the publication.

Also attached, hereto, is a Form PTO 1449, which lists both the JP 62-169823 reference and the English language counterpart Re. 33,367. The Examiner is requested to mark the form to show the reference was considered and return to Applicants a copy of the form so marked.
